About Me

Computer Science & Engineering student with a strong interest in building real-world solutions. Passionate about learning, problem solving, and continuous improvement.

Education

Bachelor of Computer Science Engineering · *2023-2027*

Moodlakatte Institute of Technology Kundapur

persuing

Pre-University · *2021-2023*

Bearys PU college kodi kundapura

Percentage: 73%

Secondary School · *2021*

Bearys sea side public school lodi kundapura

Percentage: 59.6%

Projects

Code Visualizer | C Language Execution & Storage Tool

Developed a web app visualizing C programming logic and real-time memory management. Engineered a step-through engine to track stack and heap changes line-by-line. Built an intuitive interface to simplify complex low level data concepts.

Technologies used: React, Node.js, MongoDB, MERN, GCC

Achievements & Hackathons

- Google Gemini Student Ambassador Program
- Letter of Appreciation (2025): Recognized by The Concerned for Working Children (CWC) for teaching Computer and spoken English.
